

THE RETURN OF THE

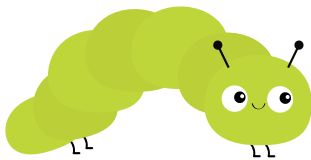

Sunshine Scavenger Hunt

May 1 – September 30

Bring on the *Just Right* sunshine! Starting May 1, Merriam will launch the Sunshine Scavenger Hunt for the summer. You can seek and find seven sunshines all across town. It's easy to play along – follow these clues and look for the sunshine sign. Check off your sunshines and have fun exploring all that Merriam has to offer!

Did you say something? Hmm, I bet you said you love beautiful, sculptural insect art.

4

Hop, step, and play – but don't fall in! Skip across the stones, and you'll be at the end.

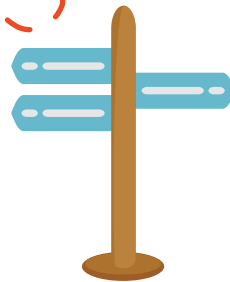

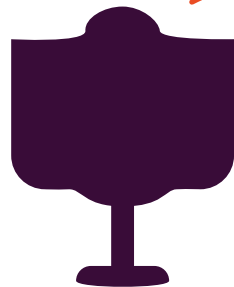

Grab a postcard or a referral from staff – we've even got a historic walking path.

3

Across the bridge from kids at play, this marker tells the story of the Quaker Days.

6

Jump on the north or south end to enjoy this paved path meandering alongside a special little creek.

This new space offers recreation, fitness, and everything cool – you can even dip a toe in the pool. (Opens Summer 2020)
