# Synopsis

**June 5, The Iron Claw:** Tells the story of the Von Erich brothers as they make history in the highly competitive world of professional wrestling in the early 1980s. Through tragedy and triumph, the brothers seek larger-than-life immortality on the biggest stage in sports.

**June 12, Crazy Rich Asians:** Rachel Chu is happy to accompany her longtime boyfriend, Nick, to his best friend's wedding in Singapore. She's also surprised to learn that Nick's family is extremely wealthy and he's considered one of the country's most eligible bachelors. Thrust into the spotlight, Rachel must now contend with jealous socialites, quirky relatives and something far, far worse -- Nick's disapproving mother.

**June 19, Jersey Boys-** In the 1960s, four scrappy young men from New Jersey -- Frankie Valli (John Lloyd Young), Bob Gaudio (Erich Bergen), Nick Massi (Michael Lomenda) and Tommy DeVito (Vincent Piazza) -- have the magic sound that propels them from singing under streetlights to singing in spotlights. With songs like "Sherry," "Big Girls Don't Cry" and "Walk Like a Man," the quartet finds itself at the top of the charts. However, personal and professional problems threaten to tear the group apart.

**June 26, Some Kind of Beautiful-** A woman starts to fall in love with a college professor who has already had a baby with her younger sister.
